Submitting the form is equivalent to the signing.

In submitting a entry form required the owner/exhibitor to comply with the registration fee.

The owner states that the registered dog is vaccinated, by means of adequate (regular) vaccinations which arguably is.

The owner/exhibitor explains that the registered dog, as far as known to him, during the last twelve weeks has not wrong in circumstances as a result of which there is a risk of contamination with distemper or any other infectious disease is to be feared, and that he will not submit the dog if the circumstances described above still.

Dogs coming from abroad must have a vaccination certificate against rabies, dated at least 21 days before the exhibition and not older than 12 months or three years (depending on the vaccine). This vaccination certificate can be checked upon entry.
